PRODUCT CERTIFICATE OF CONFORMITY No. 1155

with Continuous Surveillance of Factory Production Control

Applicable to the products mentioned below, on a voluntary basis and in compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR) it has been stated that the construction product

Waback mini 400 Type 1

produced by the manufacturer

Wapro AB

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that Kiwa Sverige has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance of the factory production control.

This declaration attests that all provisions concerning the attestation of factory production control described in Annexes ZA of the standard

EN 13564-1:2002 Anti flooding device for buildings

were applied, on a voluntary basis. This declaration was first issued on 2014-07-01 and will remain valid as long as the harmonised European standard remains valid or the manufacturing conditions in the plant or the factory production control itself are not modified significantly.

On the basis of this document the manufacturer is allowed to use the Kiwa FPC Label as shown on this page.
